

# MASKS

[www.thecuttingedgesigns.ca](http://www.thecuttingedgesigns.ca)

All facemasks are sewn in Winnipeg, Manitoba, Canada by our team of newcomer sewers. The Cutting Edge values the opportunity to provide flexible income to those that need it during the Covid-19 pandemic.

Dancing Cow

# Caring for your mask

**It's easy! All our masks are washable and reusable.**

- Hand or machine wash with soapy warm water.
- Toss in the dryer or hung to dry.

## Accessibility

**Here's a couple tips for getting the most out of your accessibility mask:**

- Handwash and hang to dry. Make sure you avoid creasing the window as you wash it.
- To prevent fogging we can recommend the following:
  - Rub the inside of the window with a bar of handsoap or dishsoap
  - Rub the inside of the window with shaving cream
  - Purchase an antifogging spray such as "SEEKLEER" from a sports store
